

WordPress Support + Security Maintenance Plan

Outdated plugins and themes are the leading cause of website vulnerability and should be continually kept as up-to-date as possible. With the WordPress Support + Security Plan, your site will be updated and audited each month. This plan also includes your choice of either 1 or 2 hours of any small content updates each month (Ex: Page/Post updates or additions, etc.). You will receive a monthly Website Status Report via email outlining the updates completed, your website's scan results, and Google Analytics data.

- ✓ Content Updates* (*1-2 hours/mo)
- ✓ All WordPress Core Updates
- ✓ All Plugin & Theme Updates
- ✓ Monthly Website Status Report
- ✓ Daily Site & Database Back-Ups
- ✓ Security Scanning
- ✓ 24/7 Uptime Monitoring
